## Climate Change is coming to CLC

The CLC Men's discussion group will be meeting Tuesday May 21 (we meet on the third Tuesday of the month at 6:30 pm) and hosting a discussion on climate change. We will be listening to a TED Talk on climate change to begin the session and will then explore how our personal views may differ and see where we can find common ground. If you would like to preview the talk ahead of the meeting, it is found here: [https://www.ted.com/talks/naomi\\_oreskes\\_why\\_we\\_should\\_believe\\_in\\_science](https://www.ted.com/talks/naomi_oreskes_why_we_should_believe_in_science)

Come men, young and old, and join us as we seek to share where the Holy Spirit might take us when we wade into challenging waters on difficult topics.

Naomi Oreskes, Science Historian, says: "Every day we face issues like climate change or the safety of vaccines where we have to answer questions whose answers rely heavily on scientific information. Scientists tell us that the world is warming. Scientists tell us that vaccines are safe. But how do we know if they are right? Why should we believe the science?" Join us please as we seek to understand this complex world that God created to sustain us!

**Thank you** to the Sunday School Students who helped lead worship last Sunday. You did a great job! Special thanks, too, to those wonderful musician volunteers who led Sunday School music throughout the season: Bree Sheridan and Anne Sheridan, three-year-old through first grade Sunday School; Greta Geiser and Roxanne Rosell, second through sixth grade Sunday School; guitarists, Gary Wemeier and Paul Bingea. Your gifts are greatly appreciated by God's family at CLC!

### May-June WELCA Mission

Believe it or not, the men of Rush City, Moose Lake and Lino Lakes Correctional Facilities are knitting sweaters and other items for "Bundles of Love" Charity to give to mothers in need.

You can donate 4-ply acrylic yarn or money to support this project. Women of the church will shop for the yarn if you donate funds. Just put "yarn" on the memo line or use a pew envelope. The yarn collecting box is by the elevators. Thank you for helping others.

**Women's Book Club** will meet on **Monday, May 20** at 6:30 p.m. at the home of Sara Brunk. This month is Reader's Choice - everyone will give a small report on her favorite book.

**Sanctuary flooring update:** We are still in the process of getting bids for the work of pew removal and replacement, top chancel step removal, and flooring for the lobby, sanctuary, and balcony. As yet, there is no date for the completion of the work, but our plan remains to have the work done mid-late summer. Stay tuned.
